BILLING CODE 4310-GJ-P

Gauley River National Recreation Area

AGENCY: National Park Service.

ACTION: Availability of final general management plan/final environmental impact statement for the Gauley River National Recreation Area, Fayette and Nicholas counties, West Virginia.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969, the National Park Service (NPS) announces the availability of a final general management plan/environmental impact statement/land protection plan (FGMP/FEIS/LPP) for the Gauley River National Recreation Area. The draft environmental impact statement was on public review for 150 days from June 6 through November 7, 1994.

Four alternatives for future resource protection, interpretation, visitor use, and facility development were presented in the Draft GMP/FEIS/LPP which was distributed for public review. During that review period, over 300 comments were received and summarized for use by the NPS in its selection of a alternative. As a result of that analysis, Alternative B, with minor modifications, was chosen as the proposed final plan.

Key components of the Final GMP/FEIS/LPP are the continuation of existing whitewater rafting and boating activities, along with providing other recreational opportunities. Land acquisition will be needed to implement most of the recommended activities and protection measures—such as public access to the river and the development of a trails system. Development will be limited to a small visitor and operations facility, two small maintenance buildings, parking, two middle and one lower river access points, one primitive camping area, viewpoints, trails, and minor road improvements.

DATES: The 30-day no action period for review of the FGMP/FEIS/LPP will end on April 10, 1997. A record of decision will follow the no action period.

FOR FURTHER INFORMATION CONTACT: Superintendent, Gauley River National Recreation Area, PO Box 246, Glen Jean, West Virginia 25846, or telephone 304-465-0508.

Dated: March 5, 1997.

Pete Hart,

Superintendent, Gauley River NRA.
